

Levittown SEPTA

Special Education Parent Teacher Association

Dear SEPTA Friends,

Welcome to the 2011-2012 school year!

SEPTA is a group that educates advocates and supports parents of children with special needs. Our informative meetings feature guest speakers on many topics, which have included: navigating through the CSE process, helping children with social skills, planning for your child's future, stress management and behavior management tips for parents. We also have Family Fun Night, where our children and their families can meet to socialize and have fun together. SEPTA meetings give you the opportunity to meet other individuals with similar concerns so that you may exchange ideas and socialize while striving to help our children. Our meetings are held monthly at Levittown Memorial Education Center on Abbey Lane. Please check the school calendar for our SEPTA meeting dates or you may visit SEPTA on the district website:

www.levittownschoools.com.

Please show your support by joining SEPTA. If you would like additional information about SEPTA, you may contact our SEPTA Co-Presidents, Courtney Hudon at (516)731-2201 and/or Ginny Civil at (516)851-8155. We look forward to meeting you!
Membership: \$8.00/person – check payable to Levittown SEPTA

Name(s): _____

Address: _____

Phone#: _____

Email: _____
